

Pen-Pal Registration

A new children's mineral club located in Des Moines, Iowa has expressed an interest in exchanging Pen Pal names with our club. In addition, the Niagara Club has a number of children interested in exchanging letters. If your child is interested in having a pen-pal and with a guardian's approval, we would like to compile a list of names and interests (aside from minerals), then match up the children for letter exchange (Email or by Post). Once matched up, the contact information will be provided to the guardian who can then get the exchange started. If you have further questions, call me (Len Buchanan) at 647-896-0062.
